### 1. S1085 - Association Health Plans

#### PRIORITY BILL

Clarifies, and further enables Association Health Plan (AHP) to operate in Arizona. Modifies the definition of *employee* and defines *bona fide association*, *small employer*, *sole proprietor* and *working owner*; opens AHP's to small employer groups of one, which may include sole proprietors or working owners.

**TMCC Position:** Support  
**RESULT:** Signed into Law

**IMPACT:** Creates opportunity for Tucson Metro Chamber to expand its Association Health Care Plans to include sole proprietors

### 2. S1248 - Property Taxes; Valuation; Property Modifications

#### CHAMBER SPONSORED BILL

Circumstances in which the limited property value is required to be established at a level or percentage of full cash value that is comparable to that of other properties of the same or a similar use or classification is modified so that for property that has been modified by construction, destruction or demolition, the requirement applies only if the total value of the modification is equal to or greater than 15 percent of the full cash value.

**TMCC Position:** Support  
**RESULT:** Signed into Law

**IMPACT:** Stops the punitive tax increases property owners and commercial leasees have experienced, as well as encourages investment for business expansion

### 3. H2109 - County Transportation Excise Tax

#### PRIORITY BILL

If approved by a majority of the qualified electors, a county transportation excise tax must be levied and collected at a rate that, by itself or together with any tax county transportation excise tax for roads, is not more than 20 percent (1-cent), increased from 10 percent (1/2-cent), of the transaction privilege tax rate

**TMCC Position:** Support  
**RESULT:** Signed into Law

**IMPACT:** Allows Pima County residents to create a transportation maintenance and expansion program large enough to address critical needs faster.

### 4. SJR1001 – Colorado River Drought Contingency Plan

An emergency measure that authorizes the Director of the Arizona Department of Water Resources (ADWR), on behalf of the state, if certain conditions are met, to forbear Arizona's rights and claims to Colorado River water by entering into interstate agreements for the Drought Contingency Plan.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 5. S1021 - Commission for Postsecondary Education; continuation

Commission for Postsecondary Education is extended eight years to July 1, 2027. Commission administers grant and loan programs for individuals who attend or will attend postsecondary education institutions.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 6. S1030 - Remote Online Notarization; Registration

The Secretary of State (SOS) is required to adopt rules to facilitate "remote online notarizations," which must include sufficient forms of notarial certificates and standards for communication technology, credential analysis, identity proofing and retention of an audio and visual recording.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 7. S1035 - Insurance; Small Employers; Continuation Coverage

For the purpose of statute regulating continuation of small group insurance coverage, the definition of "small employer" is modified to exclude an employer that employs an average of 20 eligible employees.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 8. S1087 - Vehicle Liability Insurance; Minimum Limits

For motor vehicle liability insurance policies issued or renewed beginning on July 1, 2020, the minimum amounts of coverage required are increased to \$25,000 from \$15,000 for bodily injury to or death of one person in any one accident, to \$50,000 from \$30,000 for bodily injury to or death of two or more persons in any one accident.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 9. S1184 - Schools; Economics; Personal Financial Management

When establishing high school graduation requirements, the State Board of Education must require at least one-half of a course credit in economics, which must include financial literacy and personal financial management.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 10. S1227 - Colorado River Drought Contingency Amendments

Establishes the Arizona System Conservation Fund to be administered by the Director of the Department of Water Resources (Director), and appropriates \$30 million from the general fund in FY2019-20 to the Fund. The Director is authorized to spend monies from the Fund to contract with Colorado River water users in Arizona that hold entitlements to Colorado River water to forgo water deliveries or diversions for the purpose of creating system conservation.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 11. S1256 - School Districts; Procurement Practices; Auditors

Repeals statute requiring the State Board of Education to adopt rules for the procurement by school districts of any materials, services, goods, construction and construction services that require contracts to be awarded based on the lowest qualified bidder, which becomes effective July 1, 2019.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 12. H2009 - Navigable Stream Adjudication Commission; Extension

The statutory termination date of the Arizona Navigable Stream Adjudication Commission is extended four years to June 30, 2024. Commission consists of five appointed members charged with determining which Arizona rivers and streams were navigable and non-navigable at the time of Statehood.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 13. H2027 - Online Lodging Marketplace; Local Taxation

Municipalities and other taxing jurisdictions are authorized to levy a transaction privilege or other similar tax or fee on an online lodging marketplace from any activity subject to tax under the model city tax code, with the tax base for an online marketplace being limited according to statute governing the online lodging marketplace classification of transaction privilege taxes and subject to specified conditions, including that the tax imposed on online lodging marketplaces and online lodging operators must be uniform with all other taxpayers engaging in the same activity within the jurisdictional boundaries.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 14. H2123 - TPT; Distribution; Community College Districts

Modifies the distribution of revenues from the 0.6 percent transaction privilege tax levied for education purposes so that the transfer of 3 percent of remaining monies to the Workforce Development Account of each community college district occurs after the appropriation to the Classroom Site Fund and simultaneous to the transfer of 12 percent of remaining monies to the Technology and Research Initiative Fund (TRIF) for universities, instead of after the transfer to the TRIF.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 15. H2177 - Regulatory Sandbox Program; Amendments

Various changes to the Regulatory Sandbox Program. Transactions involving an innovation provided by a sandbox participant testing financial products or services as a money transmitter are exempt from the Program requirement to be an Arizona resident, but physical presence of the consumer in Arizona at the time of the transaction may be required. Specifies that the Attorney General alone enforces state regulatory laws applicable to sandbox participants. Sandbox participants are permitted to request an increase in the consumer cap from the Attorney General.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 16. H2179 - Video Service Providers

A video service provider is included in the definition of "cable operator" for the purpose of the transaction privilege taxes. Various statutes regulating and relating to cable operators and licensed cable television systems are expanded to include video service providers and licensed video service networks, including various public utility regulations, use of public streets for utility right of ways, utility relocation cost reimbursement, and the prohibition against fraudulently obtaining video services.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 17. H2229 - Cable Licensing; Video Service Providers

Establishes a new chapter in Title 11 relating to "video service" regulation by counties. Declares that the licensing of video service providers and the regulation and use of video service are matters of statewide concern and not subject to further regulation by a county except as specified in this legislation.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 18. H2360 - TPT; Estimated Payments; Liability Threshold

The threshold after which a business entity is required to file an estimated transaction privilege tax payment in June is increased to an annual total tax liability of \$1.6 million or more in 2020, \$2.3 million or more in 2021, \$3.1 million or more in 2022, and \$4.1 million or more in 2023 and each year after, from \$1 million or more.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 19. H2423 - Space Flight Activities; Release Agreement

A space flight entity is authorized to enter into a liability release agreement with a space flight crew; Modifies the definition of *launch*.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 20. H2445 - TPT; Residential Rentals; Notice

A municipality that levies a transaction privilege or other similar tax or fee, however denominated, applied to the business of renting or leasing real property for residential purposes is required to send a notice by first class mail to each residential transaction privilege tax licensee that is licensed with the Department of Revenue and to the address of each residential rental property that there is a new or increased rate of tax at least 60 days before the effective date of the new or increased rate of tax.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 21. H2569 - Occupational Licensing; Reciprocity

A regulating entity is required to issue an occupational or professional license or certificate to a person who establishes residence in Arizona if the person is currently licensed or certified in good standing in at least one other state in the discipline applied for and at the same practice level as determined by the regulating entity and if the person meets a list of other specified requirements; some exceptions.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 22. H2617 - Renewable Energy Storage Equipment; Valuation

For property tax purposes, the reduced valuation of renewable energy equipment of 20 percent of the depreciated cost of the equipment would have been expanded to include renewable "energy storage" equipment. For the purpose of the valuation of energy storage equipment, all energy storage equipment, both collocated with renewable energy and stand-alone energy storage equipment, would have qualified for the valuation.

**TMCC Position:** Support  
**RESULT:** Vetoes

### 23. H2672 - Vacation Rentals; Short-Term Rentals; Regulation

Creates substantial parity between online lodging operators and traditional owners and/or operators. An online lodging operator is prohibited from offering for rent or renting a lodging accommodation without a current transaction privilege tax license. Vacation rentals and short-term rentals are prohibited from being used for nonresidential uses, including for a special event that would otherwise require a permit or license or for a retail, restaurant, banquet space or other similar use.

**TMCC Position:** Support  
**RESULT:** Signed into Law

### 24. H2673 - Property; Products; Services; Sandbox

Requires the Arizona Commerce Authority to establish a Property Technology Sandbox Program in consultation with applicable state agencies to enable a person to obtain limited access to the market in Arizona to test "innovative property products or services" without obtaining authorization that otherwise might be required; Establishes application requirements and an application process for participation in the Program.

**TMCC Position:** Support  
**RESULT:** Signed into Law
