Join The Tucson Metro Chamber Restaurant Advisory Council!

TUCSON’S VOICE AT THE TABLE. LET’S THRIVE TOGETHER.

Since the restaurant industry is big business that contributes $1 trillion to our country’s economy, we have created a Restaurant Advisory Council. This Council will lead the Chamber’s efforts at all levels of government identifying policy issues that hinder the hospitality and restaurant industry.

We invite you to join the Tucson Metro Chamber and become a part of our Restaurant Advisory Council.

With your Tucson Metro Chamber membership, you’ll gain:

• A seat at the table on the Restaurant Advisory Council.
• Collaborate with your peers to achieve best practices
• Fruitful networking opportunities with our diverse members (potentially reach 160,000 employees!)
• Be a part of our high-traffic online business directory where you can share your offers, news and events
• Access to community-wide programs where you can get involved as either a recipient or benefactor and make a difference
• Access to special, first year pricing at $19.95 a month with automated credit card payments
